Rex - the attached file includes all NWK comments and are tracked under Robyn Kiefer - MVS had no comments - Ready for transmittal to EPA.

Thanks Scott

EPA wants comments on this quickly. Would like to get your input first thing Monday morning so I can send a response then.

Sent from my BlackBerry 10 smartphone on the Verizon Wireless 4G LTE network.

Rex and John,

I have attached our draft press release for your review. We expect to issue this release Monday or Tuesday next week, so appreciate a quick turn. Pay particular attention to how we have characterized our agreement on USACE involvement in the review of technical documents needed to support the remedy decision. Please let me know if you have any suggested changes to that language. Thanks!
